1.0 Policy

The General Superintendent/designee may appoint any committee, study group, or advisory council for the purpose of making recommendations on school facilities, or on any matter relating to its area of jurisdiction.

Such groups will be given specific guidelines, including procedures by which they will make their recommendations to the General Superintendent/designee. Membership of such groups may include staff, parents, students, and other community members.

Termination of advisory group shall be at the sole discretion of the General Superintendent/designee.
