Approved by: Detroit Board of Education

1.0 Policy

The office of personnel will maintain a centralized personnel records system for all employees of the district.

The file for each employee will include cumulative information relating to the employees qualifications, disciplinary action, employment, performance, service and data on leaves, transfers, promotions, salary, etc.

Personnel records are maintained in the office of personnel and will not be open to the public. However, an individual may examine his or her own record in the presence of a designated administrator.
