Approved by: Board of Education

1.0 Policy

The General Superintendent/designee may select architectural firms and approve fees on the basis of recommendations developed by the Chief of Facilities Management and Auxiliary Services. Any contract with architects or engineers in excess of \$50,000 requires approval by the Board of Education. The District shall only select architects or engineers who are licensed by and registered with the State of Michigan.

In addition to the foregoing, the Chief of Facilities Management and Auxiliary Services /designee may develop other regulations and procedures for the selection of architects or engineers which effectuate the provisions of this policy as well as federal, state, and/or local laws and regulations.
