

# Detroit Lions Academy

**A Neighborhood-Centered, Quality School**

Detroit Lions Academy offers an alternative education program for students in grades 6-8, providing a comprehensive learning experience in preparation for high school. Our school provides additional academic and social support within a small learning community. Our comprehensive curriculum, intended to increase student achievement, includes Accelerated Reading and Math, project-based learning, individualized assignments, data driven instruction, and Netbooks for each student. One hundred percent of our content-area instructional staff are rated highly qualified.

## **Detroit Lions Academy: A Neighborhood-Centered, Quality School for alternative education**

### **What should you expect?**

- An environment where we believe students learn best when actively engaged in the learning process.
- By collaborating with stakeholders, we can creatively develop a student's unique talents and experience.
- Our school will continually evolve to address the needs of our students and community.
- Positive learning behavior will be taught. Our program allows students to reach maximum and social academic potential.
