

Office of Procurement & Logistics

Vision and Mission Statement

Vision:

*In order to support the goals and objectives of
Detroit Public Schools*

*We are One DPS
Supply Chain Team
Working Together to Deliver
Excellence in Procurement & Logistics
For all Students*

Our Mission

Procure World Class quality goods and services from innovative strategic suppliers that are delivered on time, every time, at the right price with the right contract terms and conditions, thus providing DPS with the highest value possible.

We value the growth, development and innovation of our procurement & logistics team members and our internal partners. We are committed to a Procurement, Logistics and Inventory process that exemplifies the utmost integrity, discipline and excellence.

With a performance standard that is second to none,
We are the Supply Chain Leaders for the 21st Century!
