Dear Parents/Guardians:

Under Title VI of the Civil Rights Act of 1964, 42 U.S.C. 200 et seq., Detroit Public Schools Community District has an obligation to “adequately notify” national origin-minority group parents of school programs and activities that are called to the attention of other parents. The District also has the responsibility to ensure “meaningful access” to its programs activities by persons with limited English proficiency. It is for these reasons that the district needs to collect information from parents/guardians who may need language assistance.

Please complete this survey and return it to your school so Detroit Public Schools can properly communicate with you in a language you understand.
