A Detroit Public School
 offering same gender classes
 for Kindergarten through 12th grade girls

The mission of Detroit International Academy for Young Women

is to offer a college preparatory curriculum that allows students to excel academically with an emphasis on mathematics, science, technology, and leadership development, so as to equip each young woman with skills to be a positive, competitive, articulate, and competent leader in the school, community, and in an ever changing global society.

Each student entering will :

- ◆ **Improve** grade point average, test scores, attendance and graduation percentiles.
- ◆ **Participate** in positive relationships with teachers, counselors, principal and/or mentors.
- ◆ **Enroll** in a junior college, university, trade school, or have a plan of action for a future career after graduation.
- ◆ **Become** a member of a competitive academic/or fine arts team.

PINK PANTHER PLEDGE

I am a proud Pink Panther of Detroit International Academy where I pledge to put forth my best effort to mature socially, excel academically, and to grow spiritually; to become a productive citizen, an astute leader, a compassionate friend and a positive role model for young women everywhere.

DETROIT INTERNATIONAL ACADEMY
is unique because it provides a small learning community that...

- ◆ **Provides an alternative** to traditional co-ed education in a secure, clean, and nurturing environment.
- ◆ **Reinforces** a “can do” philosophy
- ◆ **Ensures** that learning takes center stage, with time outside the classroom for social life.
- ◆ **Teaches** collaborative as well as competitive skills.
- ◆ **Guarantees** that math, science, and technology are integral parts of the curriculum.
- ◆ **Encourages** both leadership and team play.
- ◆ **Maximizes** verbal skills in learning.
- ◆ **Offers** strong role models.
- ◆ **Emphasizes** “real life” skills such as financial literacy, leadership, and community service.

ELIGIBILITY CRITERIA
