Annual Education Report (AER) 2010-2011

August, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2010-2011 educational progress for the Dossin Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact the school for assistance. You may also leave a message on the AER Hot-line (313) 873.6473 or email us at aer@detroitk12.org.

The AER is available for you to review electronically by visiting the following web site www.detroitk12.org/AER or you may review a copy in Dossin Elementary School's office.

For the 2010-2011 school year, Dossin Elementary School met Adequate Yearly Progress (AYP) in English Language Arts and mathematics. We are currently in AYP Phase **0**. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

To maintain our AYP status Dossin will:

- ✚ Train new staff in the integration of technology into the curriculum
- ✚ Demonstrate how technology has improved and maintained our Adequate Yearly Progress status
- ✚ Develop sources of income to increase additional technology in the classroom
- ✚ Review data and continue to provide student interventions during school and during the after school program.
- ✚ Have workshops for parents for additional support on student achievement
- ✚ Monitor student achievement through data "digs" ..
- ✚ Monthly progress report to communicate with students and parents

During the school year, Dossin will offer a Robotics enrichment program in partnership with BOTECH Corporation, a non-profit organization with a mission to serve as an educational resource for youth, families, and communities in the Detroit Metropolitan area, by promoting academic excellence

through the integration of Science, Technology, Mathematics, and the Arts.

BOTECH CORPORATION has been and is presently a (S.T.E.M.) - science, technology, engineering, and mathematics focused after-school program. Dossin Elementary School will continue to implement this reform model to provide students with robotics educational programs where they can engage in courses that promote-the S.T.E.M. concepts.

Additional Reform Strategies we will be implementing also involve a school-wide plan that will include ALL students. The strategies will be centered on the following Detroit Public School District Curriculum Intervention Initiatives:

- Destination Reading and Math
- Star Reading and Math
- Data Driven Reading 3D/DIBELS –TRC-Burst Groups(small group K-3 Reading Intervention)
- Science Olympics-DAPCEP
- Academic Games
- Literacy Coach's Cadre-Teacher In-class Support

Other Enrichment Activities include:

- BOTECH Robotics/Engineering Program
- Dossin Technology Team
- Extended Day (year -long)
- Inside Out (Published Literacy Program/ 6+1 Writing Traits)
- Girls/Boys Basketball and Cheerleading.

All students will be encouraged to become involved in academic/athletic/enrichment activities and required to complete homework assignments after-school (before practice)tutoring, turn in weekly progress reports, and follow all rules as stated in the Detroit Public Schools Student Code of Conduct.

Dossin has created a school-wide Parent Involvement Policy to improve student achievement and performance and meet the parental involvement requirements of the No Child Left Behind Act and to maintain or improve the AYP status. We have parent volunteers who sign up to work within the school on a monthly basis. We offer the following parental involvement activities:

- Title I-Annual Parent Involvement Meetings
- Presented by Mr. Roosevelt Mobley-former member of the Michigan State Advisory Board of Compensatory Education and National Coalition of Title I Parents (Overview of Title I Requirements-Review of Parent Involvement Policy-Review of School and Parent Compact-Allowable Use of Parent

Strategies Intended to Increase Parental Involvement:

- Reading Volunteers-where parents are invited to come and read to the students
- Monthly L.S.C.O. Meetings-Parent Evaluations
- Family Math/Literacy/Technology Night
- Refresher Tips/Homework Help-“How to Help Your Child “
- Provision/Donation of School Uniforms
- Bi-Monthly Parental Improvement Panels
- Open House-Coat Drives
- Thanksgiving Basket Give-a-Ways (for single parent households)
- Schoolcraft Improvement Association
- Mother-Son Ball (Held annually in May-Mother’s Day)
- Father-Daughter Banquet
- Accelerated Reader-Parent Reports
- Lunchroom Volunteers
- Field Trip Chaperones
- Online Grade-book Access
- Blackboard Websites-where parents may view teacher-posted classroom materials/lessons.
- Parent-Teacher Conferences

State law requires that we also report additional information.

Process for assigning pupils to the school

During the 2009-2010 school year, students were required to live within the boundary of the school to which they were assigned.

During the 2010-2011 school year Open Enrollment Detroit Public Schools implemented the “Open Enrollment Initiative. This initiative allows students to elect to attend any Detroit Public School without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools, or Application Schools. Parents may enroll their child (ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. Open Enrollment Initiative resources can be found on our web-site at:

Detroit Public Schools' Core Curriculum:

Consistent with the District academic plan, **Excellent Schools for Every Child**, there are aggressive plans to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace.

Specific curriculum actions include:

- *alignment of the curriculum, lessons planning and pacing calendars to national and state standards
- *ensuring that material and texts and supplemental resources and used in the classroom are directly linked to and with the grade expectations
- *defined grade level expectations to create alignment throughout the school
- * Administration and review of quarterly benchmark assessments for students in grades 3-12
- *use pre-intervention tools such as the Dynamic Indicator of Basic Early Literacy Skills (DIBLES) to assess language fluency for students on grades Prek-2 to ensure literacy foundation for reading success
- *use of the data (both formal and informal) to inform teaching strategies and professional development needs for staff, including but not limited to, teachers and administrators
- *focused professional development on the use of appropriate curriculum and teaching strategies, monitoring results and developing the interventions for re-teaching, as necessary
- *use technology (Learning Village/an on-line instructional management system) as a tool to manage instruction and teacher practice

Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the state standards and the NAEP. This represents the core curriculum which is supported by the texts, materials, computer soft ware and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum.

DETROIT PUBLIC SCHOOLS

The implementation is a process delineated in the District Plan **Excellent Schools for Every Child**. This plan serves as the framework for each school's academic achievement plan. The frequent monitoring of the implementation of these plans is conducted by the school diagnostic visits, review of the benchmark assessments, use of the teacher evaluation tool and adherence to the pacing calendar.

The variances from the state plan can be found in the grade level expectations which are also aligned to the higher standards of NAEP.

A Summer Parent University is offered with classes to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Regional Parent Resource Center are a vehicle for parents and other community member to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. Learning Village (an on line instructional management system)

Web updates and semi-annual progress reports are also a means to disseminate information to parents and community.

Detroit Public Schools Core Curriculum is currently under revision. Pacing Charts and Curriculum guided will be posted to the Academic Affairs page of our web-site in the near future.

Parent Engagement

- *Use the technology portal for parents to view daily lessons and to communication with teachers.
- *implement and follow through with the parent contracts.
- *increase the Volunteer Reading Corps from approximately 5000 volunteers this year to 10,000 for next school year.
- *use the Parent Resource Center to engage parents in innovative workshops and session that are practical and will result in parent support to students at home.

Parent-Teacher Conferences (Interactions):

School Year	Total Parent Interactions	Percent
2010-2011	408	48.7%
2009-2010	275	N/A

The Detroit Public Schools' Office of Research, Evaluation, Assessment and Accountability has developed a data collection system which has enabled the district to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher-Conferences.

- 1.0 Data from the PTC Forms represent "parent interactions" with teachers, per school, per card-marking.
- 2.0 Parent Interaction Definition: During Parent Teacher Conferences (and in some instances school open houses) Schools/Teachers are advised to have each parent participant provide a parent signature-a parent may not sign for a student if they did not talk about that student.
- 3.0 For a variety of reasons, five (5) DPS schools are not included in the data collection count due to some school closures and non-return of Parent Teacher Conference Signature List Documents.
- 4.0 Several DPS schools had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least three (3) instances, the calculated percentages are in excess of 100%. In each instance, each of these three (3) schools is an elementary school with a large parent turnout at each of the four (4) required conferences. If during each conference one parent with two (2) students enrolled in the school visited three (3) teachers for each of their (two) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

We would like to wish our students, parents and community a successful school year.

Sincerely,
Verneice Gaines, Principal
