2015-2016 Annual Education Report (AER) Cover Letter

March 13, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Chrysler Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school’s report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Wendy Shirley, Principal at (313) 494-8440 for assistance.

The AER is available for you to review electronically by visiting the District’s website http://detroitk12.org/aer, the school’s website at http://detroitk12.org/schools/chrysler/ or the MiSchool Data website at https://goo.gl/IwK2mb. You may review a copy in the main office at your child’s school or in the Parent Resource Room at Detroit Collegiate Preparatory High School at Northwestern, 2200 W. Grand Boulevard, Detroit, Michigan.

For the 2016-17 year, no new Priority or Focus schools were named; some Priority or Focus schools did exit their status because they met the exit criteria. New Reward schools were identified using school rankings and Beating the Odds information. A Focus school is one that has a large achievement gap between the highest and lowest achieving 30% of schools. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. A Reward school is one that has achieved one or more of the following distinctions: top 5% of schools on the Top-to-Bottom School Rankings,
top 5% of schools making the greatest gains in achievement (improvement metric), or “Beating the Odds” by outperforming the school’s predicted ranking and/or similar schools. Some schools are not identified with any of these labels. In these cases, no label is given. Our school does not have a status.

The key challenges for our school are as follows:

**We did not attain Differentiated target achievement goals for all subgroups of students in English Language Arts.**

Only 16.00% of the Bottom 30% subgroup met the Differentiated target in English Language Arts.

**We did not attain Differentiated target achievement goals for all subgroups of students in mathematics.**

Only 20.00% of the Bottom 30% subgroup met the Differentiated target in mathematics.

**We did not attain Differentiated target achievement goals for all subgroups of students in science.**

Only 0.00% of the Bottom 30% subgroup met the Differentiated target in science.

We are actively working to address our Michigan School Scorecard issues, accelerate student achievement and close persistent gaps in achievement by implementing the following key initiatives:

- High fidelity in the implementation of our school-wide reading program Success for All (SFA) and use of the cooperative learning model across all content areas

- Utilization of multiple assessment measures including Measures of Academic Progress (MAP) and SFA’s Reading Roots Formal Assessments to place students in team-based, student-centered reading groups at the appropriate instructional level

- Administration of diagnostic, formative and quarterly assessments in all content areas including reading, mathematics, science and social studies to inform planning and instruction for students in all grades K-5

- Implementation of the School Improvement Plan with focus on the district’s initiatives for supporting students with academic achievement including Marzano’s Instructional Framework (i.e., teaching foundations, guiding deeper thinking and facilitating complex learning); differentiated instruction; the Gradual Release Model; academic vocabulary instruction; monitoring and conditions for learning.
• Continuation of data analysis and reflection, monitoring of teachers’ instruction with provision of on-going professional development, coaching and evaluation to build capacity and improve teacher effectiveness

• Integration of technology across all content areas to enhance digital literacy and support student learning

• Provision of student support and enrichment including Study Island, chess, literature clubs, science fairs, field trips, STEM, etc.

• Implementation of the Common Core State Standards in all grades K-5 for effective and relevant instruction across all content areas with increased attention to depth of knowledge and text complexity

• Focus on the writing process with increased emphasis on text-based writing, research and writing with primary sources and development of writing portfolios in all grades K-5

Parent Involvement

Chrysler parents/guardians can be involved as outlined in our Parent Involvement Policy/Plan and School-Parent Learning Compact. These documents provide for all levels of parent involvement including active participation in parent/teacher conferences, school events, parent workshops, the School Improvement Team, the Parent Advisory Council on Student Achievement (PACSA), DADS’ Club and other activities. Chrysler School has a very active and involved parent community. We encourage parents to assist as classroom volunteers, field trip chaperones, coaches and in the oversight of students during arrival, dismissal and recess.

State law requires that we also report additional information.

Process for Assigning Pupils to the Schools

Open Enrollment Initiative

Detroit Public Schools Community District has an “Open Enrollment Initiative.” This initiative allows students to elect to attend any Detroit Public School Community District school without being required to live within the boundary for that school. The “Open Enrollment Initiative” does not apply to the Examination High Schools or Application Schools. Parents may enroll their child(ren) in the school of their interest as long as the school has not reached capacity for their particular grade. Enrollment preference is given to students who live within the boundary of a school. It should also be noted that transportation will not be provided for students who select a school outside of the boundary of their home school. “Open Enrollment Initiative” resources can be found on our website at:

http://detroitk12.org/resources/prospective_students/
Process for Assigning Pupils to the Schools (Continued)

Application Schools

Detroit Public Schools Community District has twenty-two (22) schools that require an application for enrollment. Families can apply during the application process window. Applications are open to families of current Detroit Public Schools Community District students as well as those newly enrolling or attending school elsewhere. The District uses one application for its Application Schools. Please note requirements on the application for submission of report cards, test data, transcripts, essay and Grade Point Average information. Schools also may have other individual entry requirements. Be prepared to provide behavior reports.

Examination High Schools

During the Examination High Schools application window, all 8th grade students attending public and non-public schools are eligible to apply for admission to the 9th grade at Cass Technical High School, Renaissance High School and Martin Luther King, Jr. Senior High School’s Mathematics, Science and Applied Technology (MSAT) and Center for International Studies and Commerce programs. Residency is not required. During the beginning of the school year, students must complete and submit an application to take the placement examination.

An application is available at:

- All Detroit Public Libraries
- All Detroit Public Schools Community District’s Middle Schools
- Detroit Public Schools Community Districts’ Parent Resource Centers
- Detroit Public Schools Community District Research and Assessment Office located in the Support Services Complex Building A - 1425 East Warren Avenue

Students must submit an application to be eligible to take the examination. Completed applications and all required documents must be submitted to the student’s current school or the Detroit Public Schools’ Office of Research and Assessment. Detroit Public Schools Community Districts’ students who submit an application will test at their middle school. Non-Detroit Public Schools Community Districts’ students who submit an application will be notified of their testing date and location by mail. Applications may be mailed.

School Improvement Status

We will continue to work towards meeting our School Improvement Plan goals in English Language Arts, mathematics, science and social studies. Research-based strategies, comprehensive data analyses and data driven decision-making drives our school improvement efforts.

School Description

Chrysler Elementary School is an application school. It has been ranked as the No. 4 K-8 school in the city by Excellent Schools Detroit and one of the top 100 schools in the state by the Mackinac Center. Chrysler is a Michigan Department of Education Reward School. It is the 2015 district spelling bee champion school, Academic State Champs, Bookstock B.E.S.T Award finalist and Detroit Public Schools Multicultural World History Pacesetters Contest winners in first and fourth grade. Bridge Magazine ranked Chrysler as one of four top Detroit Public Schools elementary schools. Mayor Mike Duggan’s State of the City Address included a shout-out to Chrysler Elementary’s national chess champions. Chrysler Elementary places a heavy focus on writing as the core academic program. Some Offerings: Named One of “25 Coolest Schools in America,” Parent & Child Magazine, Professionally Published Books by InsideOut Literary Arts Project, Art, Latchkey (a.m. and p.m.), Accelerated Reading/Math, Chess, Sports, Daisy, Brownies and Girl Scouts, Robotics, Chemistry Club, Recycling Club, Dads Club, Lit World, Boys and Girls Bible Club. (From: Picking the Perfect School ~ Detroit Public Schools).

Detroit Public School Community District’s Core Curriculum

Detroit Public School Community District’s Academic Plan will provide guidance to align all resources in the interest of student achievement and support. Consistent with the Academic Plan is an aggressive plan designed to accelerate the rate of student achievement and to ensure that students graduate with the academic and social skills necessary for success in college and the workplace. The plan is organized around five Pillars of Excellence.
Access to the Core Curriculum

The instructional strategies and grade level expectations are aligned to the Michigan Department of Education standards (science and social studies) and Common Core State Standards (mathematics and English language arts). This represents the core curriculum for Detroit Public Schools Community District which is supported by the texts, materials, computer software and other school level resources used daily in the classrooms. All of the professional development activities are aligned to the core curriculum and/or standards. The implementation is a process delineated in the District Academic Plan at: (http://detroitk12.org/content/wp-content/uploads/2016/11/ACADEMIC-PLAN-Executive-Summary-FINAL-2.pdf). This plan serves as the framework for each school’s academic achievement plan. The frequent monitoring of the implementation of these plans are conducted by the school diagnostic visits, review of the benchmark assessments, use of the
Access to the Core Curriculum (Continued)

teacher evaluation tool and adherence to the pacing calendar. The public may access the core curriculum via our public website www.detroitk12.org and then click on the link to the individual academic offices.

Parents/Guardians are offered classes through Parent University to increase parenting skills, early childhood literacy, adult literacy and GED. During the school year, the Parent Resource Centers are a valuable resource that allow parents and other community members to participate in regular and on-going informational and participatory sessions focused on curriculum and instruction. The Detroit Public Schools Community District Hub, Web up-dates and semi-annual progress reports are a means to disseminate achievement information to educators.

Student Achievement Results

Aggregate Student Achievement Results and Detroit Public Schools Community District’s Quarterly NWEA~MAP Reading and Mathematics reports for our school can be found in the Resources section of our school’s website at http://detroitk12.org/schools/chrysler/. The following reports are available on the Detroit Public Schools Community Districts’ web page at the Research, Evaluation and Assessment site at http://detroitk12.org/data/rea/:

Parent-Teacher Conferences (Interactions)

<table>
<thead>

</tbody>
</table>

The Detroit Public Schools Community Districts’ Office of Research and Assessment has developed a data collection system which has enabled the District to comply with the Annual Education Report criteria of identifying the number and percent of students represented by parents at Parent-Teacher Conferences (PTC).

1.0 Data from the PTC Forms represent “parent interactions” with teachers, per school, per card marking.

2.0 Parent Interaction Definition: During Parent-Teacher Conferences (and in some instances school open houses) Schools/Teachers are advised to have each parent participant provide a parent signature-a parent may not sign for a student if they did not talk about that student.
Parent-Teacher Conferences (Interactions) (Continued)

3.0 Some Detroit Public Schools Community District had a very high percentage of reported parent interactions. This may be due to a number of reasons. In at least two (2) instances, the calculated percentages are in excess of 100%. In each instance, each of these two (2) schools may have experienced a large parent turnout at each of the required conferences. If during each conference, one (1) parent with two (2) students enrolled in the school visited three (3) teachers for each of their two (2) students, this would count as six (6) parent interactions, thus increasing the base number and resulting percentage.

We would like to wish our students, parents, community and staff a successful year.

Sincerely,

Wendy Shirley, Principal
